Request for PhD Qualifying Examination
Lane Department of Computer Science & Electrical Engineering
West Virginia University

This form must be completed by LCSEE PhD students who intend to start the PhD qualifying exam process. The form must be submitted to the Department Graduate Administrative Assistant, Tina Harvey, in AER 363A.

Name: ___________________________ Student ID: ___________________________ Date: ____________

Student email (mix account): ___________________________ Advisor's Name: ___________________________

Program Major (check one):

- Electrical Engineering (EE) □
- Computer Engineering (CpE) □
- Computer Science (CS) □

My area of research in the department is in (check one):

1. Electronics & Photonics □
2. Systems & Signals □
3. Computer Systems □
4. Software & Knowledge Engineering □
5. Theory of Computing □

I hereby request for the following three courses to be designated as “qualifier core courses” in which I will be examined by the Qualifying Examination Committee (QEC). (Student seeking to be qualified must first pass 3 of the Ph.D. core courses associated with his/her program and these 3 courses must be in at least 2 areas. Areas 1, 2, 3, 4 associate with EE program; 2, 3, 4 associate with CpE program; 3, 4, 5 associate with CIS program.)
